

KAADY CHEMICAL™

The Science of Cleaning

# CLEARCOAT SHINE

## CONCENTRATED FORMULA

### A brilliant solution for streak-free protection.

This specially formulated product protects against acid rain, insect residue, bird droppings and other paint damaging elements while providing a lustrous shine.

### The Chemistry is Right! NON-ACIDIC, NON-CAUSTIC, PHOSPHATE-FREE

Clearcoat Shine is particularly effective when paired with our Kaady Rapid Dry: Clearcoat to protect polyurethane enamel and other paint finishes; Rapid Dry to speed the drying process without streaking or smearing.

#### ► MIXING & APPLICATION:

Draw directly from container; apply **1/2 oz.** to **1 oz.** per application.

Apply automatically through application arch.

Self-Serve Operations: dilute **64:1** to **75:1**.
