# FOAM SHIELD™

**with CARNAUBA WAX****For "Wall of Foam" applications**

Along with other Kaady Extra Service products, new, biodegradable Foam Shield provides unsurpassed paint protection to customers' cars, and wall-to-wall profit enhancement for conveyor operations that use "wall of foam" applicators.

With Carnauba (the gold standard of waxes) as a key ingredient, Foam Shield's gold, red, blue or white, high-foaming formula is so concentrated that dilution ratios can range up to 300:1, depending on type of apparatus, conveyor speed and water quality.
