

KAADY CHEMICAL

The Science of Cleaning®

PAINT GUARD™

with CARNAUBA WAX**SHINES • PROTECTS • PRESERVES**

Why your customers need Paint Guard

A special blend of polymers and Carnauba Wax for paint protection, durability and shine. Regular application of Paint Guard creates a polymer barrier that helps protect paint from UV rays and airborne contaminants, as well as acids from leaf stains, tree sap, bug spatter and bird droppings ...all of which can eat through clearcoat and cause permanent damage.

Effective for up to 30 days

Paint Guard is designed to provide a protective polymer barrier for up to 30 days from date of application. Your customers can make it part of their routine maintenance by including it with their car wash on a monthly basis.

► MIXING & APPLICATION:

Apply through arch after Rapid Dry. Draw directly from container; Apply **1/2 oz.** to **3/4 oz.** of concentrated product.
